WINE

Madeira

Madeira wines are one of the most interesting wine styles in the world. Produced exclusively on the small island of Madiera, that sits the Atlantic ocean around 960km south-west of Lisbon Portugal.

The island has been famous for making these unique wines for centuries. Madeira wines are fortified but it's the process of heating and slowly oxidising the wines from picking the grapes very early, that transforms these wines.

Madeira wines become drier, brighter, crisper, nuttier & more complex with age. This is best illustrated by doing a flight of 3, 5 & 10 year old wines where the evolution of the wines will be evident.

The wines come in a Dry style and a Rich style. Both are stunning with little more caramel and molasses notes in the Rich.
